

Fulfillment Offerings Overview

Learn how to use [Fulfillment Offerings](#) in a checkout experience to show consumers the best options for getting their purchases, wherever they are.

Allow consumers to choose how to get their favorite Nike products

Use Fulfillment Offerings to allow consumers to choose the delivery location, delivery price, and delivery date for each size of a product on a PDP or each item in their order. Fulfillment Offerings supports several delivery locations including:

- Delivery to a shipping address
- Buying online and picking up in a Nike store (BOPIS) or third party location
- Self-checkout at a Nike store
- Digital delivery

Use Cases

Ready to get started? Step through the use cases below to learn how to add Fulfillment Offerings to your experience.

List the fulfillment offerings for each size of a product on a PDP
List the fulfillment offerings for each item in a consumer's Cart
List the Fulfillment Types, and corresponding Location Types, for a given shopping country
