

Product Feeds Overview

Great experiences like SNKRS, Nike Training Club, Nike Running Club, and the Nike app showcase Nike products and make them available for purchase. But how is all that visual content pulled together? It's done with [Product Feeds](#) and you can use it, too.

Use Product Feeds to tell amazing Nike stories with digital product data and authored content.

Product Feeds is simple and easy to use: it does all the heavy lifting of gathering the content for you.

Use Cases

Step through the Use Cases below to incorporate Product Feeds capabilities into your experience.

- [Get all product threads for a channel, SEO slug, style-color, size, gender, athlete, keyword, and more.](#)
- [Get a specific thread by its ID.](#)
