

PRODUCT FEEDS OVERVIEW

Great apps like SNKRS, Nike+, Nike Training Club and Nike Running Club showcase Nike products and make them available for purchase. But how is all that visual content pulled together? It's done with [Product Feeds](#) and you can use it, too.

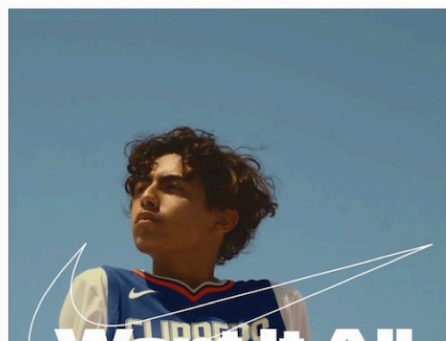

[➔ GO TO DEVELOPER'S GUIDE](#)

Use Product Feeds to tell amazing Nike stories with digital product data and authored content.

Product Feeds is simple and easy to use: it does all the heavy lifting of gathering the content for you.
